★★★★★ **Fabulous Business Cards**

16/08/2019

Finding Kwik Copy so close by was the first plus, then came the really friendly staff but the culmination was my Business Cards. I just gave them a memory stick with the photo and some text and a 'be creative' instruction. When the proof was emailed within a couple of days, I was so delighted. The cards are stupendous! and I've had so many compliments. I'm a dog sitter and the card design gets lots of 'aahs' and smiles from people. Thank you William and Kwik Kopy - a superb job.

★★★★★ **Quick turn around for a quality outcome**

14/12/2017

We were chasing our tails preparing for an international tech show in France and in this rush almost forgot about printing colour handouts. I was flying out of Australia on the 23/11, we finalised our artwork on the morning of the 22/11, forwarded our artwork to Kwik Copy that morning and picked up our full colour gloss brochures at midday on the same day. Really great result for us, and I was surprised at the speed and ease everything was done! Big thankyou to the team at Kwik Copy Artarmon

Johnnie - Business Development Director

★★★★★ **2017 Australian Orienteering
Championships map pro**

31/10/2017

Kwikkopy willingly accepted the convoluted task of different sized maps and multiple variations for maps required for use over a week of competition. Thousands of maps were produced in a short period of time to meet the deadlines. The work was carried out in a most professional and courteous manner and many overtime hours were included to complete the task. Other print-runs were included as well as maps to ensure that the Championships were conducted in a manner that ensured the smooth operation of the event. Thanks Kwikkopy for your invaluable assistance.
