EmmaH - Digital Marketing Manager

★★★★★ **Awesome prints!**

14/12/2017

excellent service and assistance in creating my work of art. good suggestions along the way. The only part that I would wanted some guidance or a suggestion was about the hole in my paperwork en binding this with rings. When making a puncture near the side of the paper, it can tear very easily. This needed to be supported by an extra plastic or cardboard clip or something so the paper doesn't tear. Not sure if you guys do this, but it would be good if you let your customers know. and have some upsell opportunities.

Maxvanderwal - Sales
