Not just great, but exceptional service and help

15/01/2020

I was passed Kevin the managers details by the excellent Bondi Junction team and Kevin unbelievably was even better than them, I needed last minute window decals doing and they came out better than I could have expected and the service was probably the best I have received in Australia. Ps I did try and write a letter to say thanks to the head office, but there is nowhere to do this on the website.
