Great Printing Service

10/03/2020

We always get our letterhead paper from Kwik Kopy and it is always great quality work. I was a little disappointed with our last order as it took a long time to arrive and this meant that we were without letterhead for over a week.

13/03/2019

There is only good things to say about doing business with Kwik Kopy. Great customer service is provided every time, with quick responses to enquiry's and orders. I emailed Kwik Kopy looking for some advise on new business cards for our office as we were a bit unsure of what we were looking for, but wanted to keep it simple, yet professional. Kwik Kopy were able to quickly design a business card that looked professional, and was suited to our needs, the very same day! Thrilled with the speed and great customer service, we proceeded immediately and within a couple of business days they were delivered to our office by Kwik Kopy themselves. We were very happy doing business with Kwik Kopy, and look forward to doing business with them in future. Would recommend to anyone looking.
