Saved the day when another supplier let us down

17/04/2019

I decided to use another supplier whose quote was lower than Kwik Kopy - but when it came to the crunch, the supplier didn't follow through. They didn't take my phone calls to accept payment, which was necessary to start the process. So having lost a week, I contacted Kwik Kopy who were able to print and supply Tshirts in a quick turnaround. Thanks very much!

Good price + turnaround, lacks attention to detail

14/12/2017

I ordered some concert programs for a school event a couple of months ago. The price and turnaround time were good, however I had to send multiple emails addressing the same corrections - I had given very clear details that hadn't been followed. I also requested for them to be delivered to the venue by a certain time, and when they hadn't arrived, I was told I had to collect them. They were eventually delivered but almost 2 hours later than originally specified.

Great Face to Face Experience From Management

8/12/2016

The manager at the Chatswood branch was so very professional and accommodating – I forgot I was at a printers!! The process was enjoyable and seamless. Print results just excellent. I'll choose Kwik Kopy where I am (not just Chatswood) based on this experience. Not only that he talked about a colour correction service in case a client of mine (or me) was super fussy about a particular colour or colours in the artwork. You don't get that kind of service just anywhere.

16/08/2016

I accidentally stumbled on Kwik Kopy Chatswood when needing new signage for my office. The job was finished on time, at lower than budgeted cost, and the site clean at the end was impeccable. Well done, I have no hesitation recommending anyone to Kwik Kopy for signage work.
