AGM Invitation

29/09/2016

We requested Kwik Kopy to do a layout for our existing last year AGM invitation. The task was completed with some errors. However due to budget constrain we did pursue print. Only draw back we asked for reduction in quote as both ends has did not go ahead and due to errors to which no response to my email. We just paid the Invoice quoted. Suggestion need to address customer issues when requested and not to go by the books.
