Kwik Kopy aces the opposition

15/01/2020

I had received quotes on a small job (500 tri-fold brochures) and thought, "Gees. That's a lot" when a mate said. "Kwik Copy are cheap. Try them" I was pleased I did because they came in well under the oppositions' price. The printing itself was first class and the folding was neat. Will go there again.
