When I stopped dealing with the owner it was a. Ri

21/03/2017

I started my dealings with the owner and all was well, that is until he stopped answering my emails or returning my calls. Absolutely lucky I even finished the job with Hornsby store. 3 weeks of pure frustration where he had made promises he clearly could not provide. It was only due to the fact I had let my usual lady know I had another option I was going with that could get it done in my time requirement that I had to continue. Luckily one of the staff picked up on my frustration and saw that it was finalised. She did a great job!
