We would have preferred to see an example of what the flyer would have looked like as it wasn't exactly how we wanted it. This may have been ignorance on our part.

Great customer service & delivered on time

I requested a quote for a job and it took some time to get it approved internally. The Moonee Ponds branch here in Victoria have impeccable customer service. Val followed up after I had been in contact to see if there was anything he could help with further on the quote, while Louise was super helpful throughout the process; her customer service was impeccable while the very short time frame I gave her was no issue at all. She had some stock issue however came up with a suitable solution. And the outcome from the clients end was very well received.
