★★★★★ **Promotional Pens**

8/12/2016

I recently dealt with Kwik Kopy Osborne Park in relation to some promotional pens for my clients. I was offered a number of ranges and styles that were of very good quality as working in insurance I did not wish to give my clients plastic pens. Denise even managed to locate pens that were in my company colours. Pens were delivered ahead of schedule and I was very happy with the price, especially considering the quality of the pens. I have already given a few out and have had clients thank me for providing great quality pens as in the past others have given them cheap ones that leaked or did not work at all. Thank you Denise at Kwik Kopy Osborne Park!
