22/02/2017

Last month I had an urgent job I had to get out within 24 hours and Jason from the Penrith store saved the day! I was very impressed with the fast turn around and friendly customer service, look forward to doing more business in the future. Also Kwik Kopy was the fastest to get back to me with a quote and then within those 24 hours the job was done, the following day after it was printed I received a quote from snap which was too slow and way over priced so as far as service quality and turn around time is concerned Kwik Kopy is a premium service.
