### Printer extreme

26/05/2016

I used a printer for over 10 years, and he closed his doors. I used another printer and I was not impressed with them at all. Kwik Kopy was recommended by the previous printer, and I have used them extensively. They have helped me to design the covers.1. Business cards for three different businesses2. Family History books3. Grading Certificates4. Christmas cards5. Postcards
