I called up my local kwik Kopy (Taren point) and spoke to Phil. I had a few days before my wedding and needed an order of service booklet! I'm really hopeless with computers but also very picky and wanted these to be perfect. Within a few days Phil made the most beautiful booklets from my word document. They were perfect! And In only a couple of days so I was able to pick them up before the wedding. I'm so happy to write this review as I never got the chance to thank Phil properly! :)
