Friendly Service & Kwik

The lads at Underwood Kwik Kopy were fantastic. My first order of business kards were ordered wrong (not their fault) & I had to get new ones kwickly. The guys spoke to me about the right layout & what would work, the result speak for themselves. They were also able to give me some information about custom wall graphics from my new home. Nice work.

Great effort by owner to hand deliver my order

11/09/2019

I made my first order with Kwik Kopy recently and found overall the product and service to be good. The print quality was good and the price was one of the more competitive in the market. I was most impressed by the owner's effort to hand deliver my order when there had been a mix up with advice on the date the order would be ready for pick-up, causing me an inconvenience.
