13/01/2020

We needed a job done in a hurry as we had miscalculated the deadline and the staff were amazing. There was no compromising on the quality or the service and we had our books ready for an art exhibition. Every-one we deal with at Kwik Copy Wollongong makes you feel confident and that you matter. We are not accustomed to having print work done – so it is great to have some-one walk you through the process and help you achieve the results you want.

**So helpful!**

13/01/2020

We approached Kwik Kopy for a quote for printing and binding. We had no idea what was available, so they gave us options and prices for both. It took a while to be approved at work, but Kwik Kopy were fantastic with re-issuing the quote and finalising the print job. Final result was perfect!

*Kwik Kopy Woollongong customer - Allied Health*

**Excellent, professional service**

14/12/2019

I recently required an oversized 'winner's cheque' printed and right from my first contact with Kwik Kopy Wollongong, I was impressed with their service. Given the fact that I am based in Queensland and required the cheque to be ready for pick up on a certain day by our Creative Director while travelling through the area, the whole process was streamlined. I received advise on the best type of printing stock to use and even when I asked for a digital photo of the printed cheque for our records, nothing was too much trouble (even though the cheque had already been packaged). I liaised with several staff who were both pleasant and professional, so I would definitely recommend their services.
